

Supplier Profile – Manage Company Profile

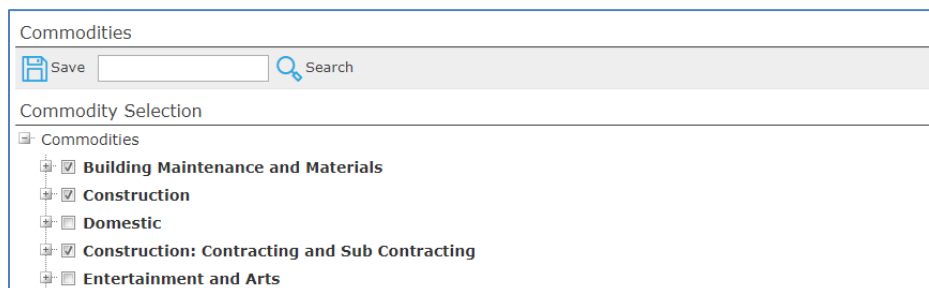

1. Select 'Company Profile' using the Admin dropdown or in the Quick Links area.

2. **Profile:** Company information can be edited and saved on this tab. Thirty days after registration supplier Trade Name, Legal Name, and Tax ID Number fields can no longer be edited. These fields must be updated by the organization at which the supplier is registered.
3. **Address Book:** Suppliers can update a current address by clicking the edit pencil or add an additional address through selecting 'Add Address'. Addresses can be deleted by clicking the Trash Can symbol. The 'General/Corporate Address' is populated from the information entered on the 'Profile' tab and cannot be deleted.

4. **Users:** Administrators can edit user information by clicking on the magnifying glass next to the user's name, making changes, and selecting save. New users can be added by selecting 'Add User'.
5. **Commodities:** To add or edit existing commodities, mark the checkbox next to the desired commodity. To expand the selection, select the expand icon next to the desired category. To select all commodities within a category, place a check next to the category name. To search by a keyword, utilize the search bar in the toolbar. Click 'Save' to apply any changes.

6. **W-9:** This tab will only be available if the organization chooses to collect W-9s. If inaccurate data exists on this W-9 then this information should be changed under the Profile and Address Book tabs. Once changes are made, select ‘Update W-9’ and provide a digital signature and date before selecting ‘Save’ at the top of the page.
